

# TELETEXT WORKSHEET

## TELETEXT RULES (OK?)

1. When writing text, use ONE RECTANGLE PER LETTER, like this:

2. Colour the squares using only ONE COLOUR PER RECTANGLE

like  
this:

3. When you want to change colour along a row, leave ONE RECTANGLE EMPTY

like  
this:

The same goes for the start of rows that don't begin with default colour text.

4. Alternately, a gapless colour change is allowed after TWO IDENTICAL RECTANGLES

like  
this:
